

Lord of the Flies

Extra Credit Opportunity
Due Wednesday, May 15

You have three options:

1. Create a soundtrack for LOTF. It must be a minimum of six songs. For each song, you must provide a short paragraph (3-5 sentences TYPED) explaining why you included the song. Songs can represent characters, scenes, or themes from the novel. All songs must be presented on a CD with accompanying cover art. Please note: I neither encourage nor condone illegal downloading of music. Please do not choose this option if you do not own the proper resources - i.e., please do not download music illegally to complete this project.
2. Create a work of art representing a character, theme, setting, or other important aspect of LOTF.
3. Creative writing - be creative! It must be a minimum of two pages typed, MLA format. That is the only parameter. You could create a brief memoir of the experience from one of the characters, create a psychological profile, write a newspaper article about the experience, write a short story about one (or more) of the boys, create an alternate ending, write how the story would change if girls were on the island, etc.
It's up to you!

- You will receive a TEST GRADE.
- Please note that you must EARN this extra credit; it is not just busy work to get an extra grade because you didn't do the work you should have in the first place.
- If you do not like the grade you receive, then I will not record it.
